Our **Vision** is to **keep developing and improving our market position** by investing in human resources, equipment, research, and development. Our **Mission** is to provide **high quality products** that exceed our customer's expectations and ensuring the safe and healthy environment for our employees

## We have all type and all style PDO Halloumi

**Halloumi** is the Authentic Cypriot cheese that has been approved as PDO cheese during 2021. The unique cheese of Cyprus is the ideal cheese for Grilling and Frying and it's a tasty vegetarian cheese! Halloumi gained the consumers in 40 countries all over the world and it's one of the top 5 cheeses with the highest increase in demand and consumption! The small island in Mediterranean produced a high quality cheese and you can feel the experience in several sorts!
